## **JAXON KEYS RARE BRANDY (1)** | Retail: \$80

Mendocino Estate

This is the rarest of all spirits: a single-vineyard brandy that is grown, distilled, and bottled entirely at our estate. The wine for this distillation is made from our estate grown French Colombard grapes. The distillation takes place in a traditional alambic pot still - brought over from the Cognac region of France - and the brandy spends a minimum of five years aging in Limousin oak barrels. Jaxon Keys Rare Brandy is produced in extremely limited quantities.

## **JAXON KEYS OLD STOCK BRANDY (1)** | Retail: \$150

Mendocino Estate

Selectively blended from individual lots of double distilled French Colombard ranging in age from 10 to 15 years old. This carefully blended spirit expresses notes of fruit and dried flowers, accented by intriguing notes of vanilla and caramel. Jaxon Keys Old Stock finishes with spicy notes from long oak aging in Limousin oak barrels.
