A NOTE FROM OUR CLUB COORDINATOR

Harvest is here! Our vineyard crews have dusted off their gloves and are raising the grapes high. Harvest can be a chaotic time of the year, everyone is stretched to the limit to receive and process a years worth of grapes, often with overlapping timings. Everyone in the tasting room gives a big shout out to everyone involved in our harvest.

Jaxon Keys is preparing to add 6 new tanks by years end, and another 6 in 2023. Tank space can fill quickly and everything must be cycled to make room for the latest batch of grapes to arrive. These additional tanks will help Antione and his crew immensely.

Lastly, stop by the tasting room to enjoy your complimentary tasting with one of our lovely Staff. Nicole has been with us since August 2021. Nicole has been actively working in the wine industry for 20+ years. She brings a wealth of knowledge about wine to our guests. Kristin joined the team in March of this year. We are thankful for all her hard work and wonderful attitude with our club members and customers.

Thank you for your continued loyalty and support as a Jaxon Keys club member!
